

# Sierra Leadership Network

*A ministry of Classis Central California (Christian Reformed Church)*

## 2011-2012 Schedule Learning Modules

**Saturday, August 27, 2011:** *Children's & Youth Ministries Seminar.*

Children's ministry leaders will talk about reaching today's kids through curriculum teaching skills and Bible-oriented lessons.

**Thursday–Friday, November 17 & 18, 2011:** *Leadership for the Church-in-Mission.* How do we redevelop a vision for mission within our churches? How do we train and mentor a new generation of missional leaders? Join key note speaker N.T. Wright, theologians, missiologists, church planters, and pastors for two days in San Francisco to answer these two questions. Register at [www.newbeginhousestudies.eventbrite.com/](http://www.newbeginhousestudies.eventbrite.com/)

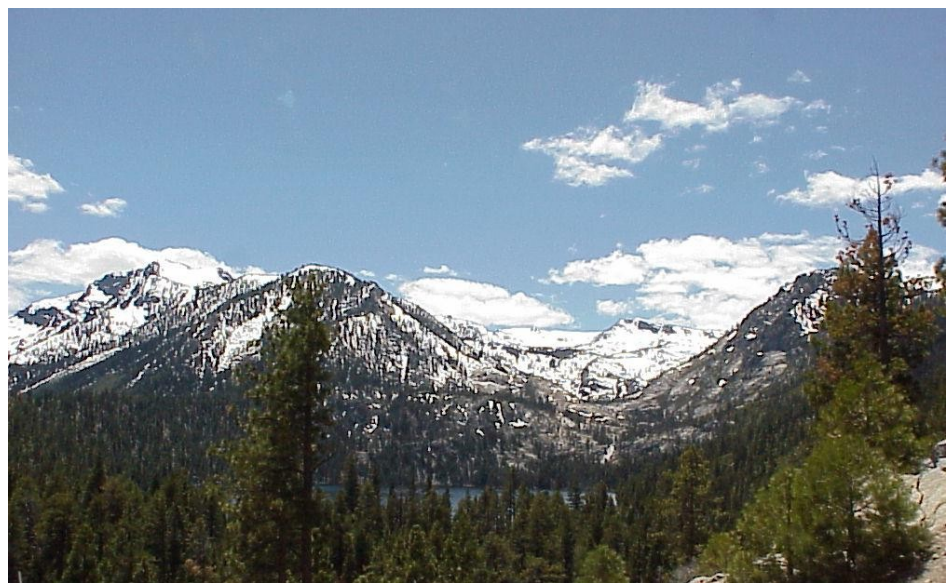

**Saturday, January 21, 2012:** *Gospel Preaching.* Participants will learn to preach the gospel from different genres of biblical literature and to specific sub cultures. This Saturday is part of a Calvin Seminary course that can be taken for credit. Contact SLN for more information.

**Saturday, March 10, 2012:** John Van Sloten, author of "The Day Metallica Came to Church," talks on issues of faith and work.

**May (TBD)**

## Developing missional, kingdom-minded leaders to help churches flourish and grow

The best way to equip emerging church leaders is to "grow them up" in the local church! The Sierra Leadership Network is a mentor-driven, church-based training program designed to help the local church equip its next generation of leaders with personalized training plans along with individualized and small group classes. The focus is on competencies instead of courses while helping leaders and emerging leaders improve their ministry effectiveness.
