

How to read the **BIBLE** *for all its* **WORTH**

hosted by
Sierra Leadership Network

May 14, 2011

What are the guidelines that people should follow in interpreting it?
How should we evaluate the interpretation of people who claim the Bible really says "this" or "that"?
What criteria should be used to evaluate biblical teaching?

This seminar by Dr. Jeffrey Weima of Calvin Theological Seminary answers these questions in an interesting, informative, and even entertaining way. This day will change the way you read and understand God's Word for the better!
