¹ 4 weeks long series in which we invite adults at GS to tell their stories of faith. They choose a psalm that resembles their spiritual journey and talk about it. Ask them in **May**.

² 3 weeks long, curriculum-based series in which we explore science and Christianity. This topic was requested by many of our students. Liz and I go through it in **May**. *Sam?

³ How would church look like in the imagination of junior high and high school students? Youth is in charge of leading everything from games, snacks and teaching. Should we invite parents?
